

# Brinee - The New and Beautiful Liquid-Control Serve 'n Store container

With the innovative Liquid-Control tank – that controls all liquids at the touch of a lever:

- Customizable!
- Beautiful and elegant design
- Big enough for the full contents of a standard sized can
- Spill-proof lid: tilt it, turn it over... still no spills!
- Dishwasher friendly, easy storage in any refrigerator, kid-easy assembly
- Comes with matching pickle tongs

### *Use with any small foods in liquid:*

***Olives, Relishes, Cucumbers, Sauerkraut, Peppers, Canned fruits in syrup, liquid immersed cheese cubes***

### **It's a Brinee Idea:**

- Resell **customized Brinee** under your brand (wholesale, retail, etc.)
- Use Brinee as a **branded complementary product** for pickle and olive brands or canned or bottled fruit brands or any liquid immersed small food-stuff
- Use Brinee as an innovative container for **special product editions** (holiday, Superbowl, Olympiad, limited taste, summer/winter edition, special promotions, shrink deals, buy&get offers, etc.)
- Use Brinee to serve liquid immersed foods such as sauerkraut, olives and pickles in **food and restaurant chains**
- Use Brinee as branded luxury and high-end **gourmet product packaging**
- Use Brinee as a unique **branded give-away** (at exhibitions, conferences, food festivals, etc.)
- Give Brinee as **original holiday gift** or gift packages for employees or members

And more
