

From Conception to Completion

INTEGRITY • QUALITY • RELATIONSHIP

Committed to quality construction and unsurpassed service, Haggerty Construction has built a team that brings a creative, professional attitude to every project. From residential remodels and additions - to commercial interior tenant improvements - to large turnkey buildings - Haggerty Construction's quality standards, attention to detail and uncompromised integrity sets them apart.

Led by owner Ryan Haggerty, relationships built with property owners, architects, designers, engineers and civic building department professionals are an integral part of the success of each project. From conception to completion, the team creates an atmosphere that efficiently moves through each project. A keen eye on every detail, while adhering to strict deadlines, allows fast-tracking of construction projects to successfully meet the needs of each client. Management efficiency leads to the projects ultimate success.

Haggerty Construction is also committed to being involved with the communities it serves. Building quality structures is their vision. Building quality relationships with clients, youth organizations and the community is their passion. Vision and Passion ... together they build a strong and vibrant community.

*From Conception
to Completion*

From the initial planning stages to the final touch.
We are here to see it through.

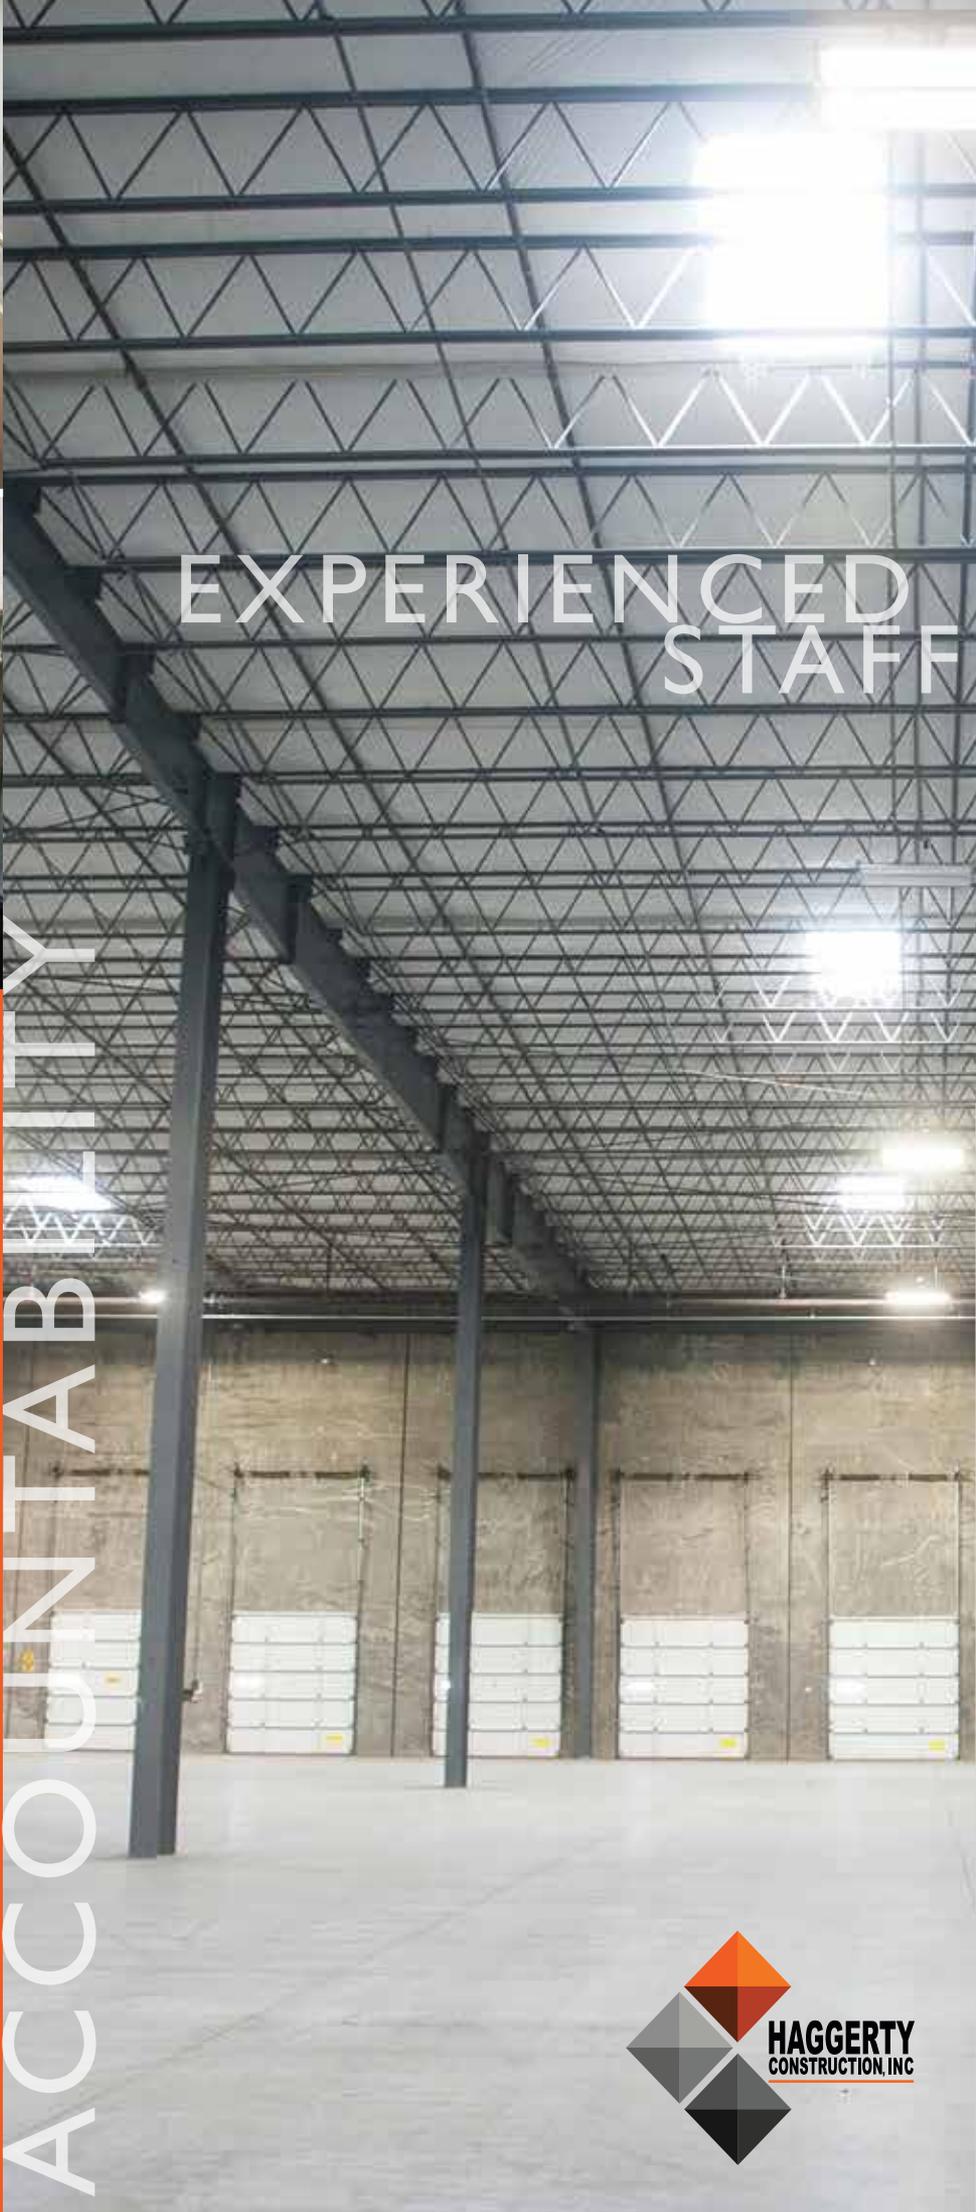

The mission of Haggerty Construction is to provide unsurpassed service, quality and accountability while managing and meeting the expectations of each and every client.

ACCOUNTABILITY

AT YOUR SERVICE

Headquartered in Stockton, California, in the heart of the Central Valley, Haggerty Construction provides a full range of services throughout northern and southern California.

WE ARE EFFICIENT

Efficiency is our strong suit. We are timely. We maintain a clean work-site. We communicate with you throughout the project. We meet deadlines, and oftentimes are ahead of them. We will stay within your budget. We will exceed your expectations.

OUR RELATIONSHIP

And most importantly, our relationship with you continues after completion of your project.

Our fleet of construction equipment includes trucks, trailers, hand tools, scaffolding, power equipment, heavy iron equipment, specialized tools for various trades.

General Contractor License #B 944274

CRAFTSMANSHIP

ATTENTION TO DETAIL

COMMERCIAL

First impressions speak volumes when meeting with perspective clients. A well designed and built office space reflects the success of the businesses residing there. When working with developers to create single, or multi-use commercial sites, quality is our focus ... because beautiful, quality workmanship draws professionals who expect their commercial office space to reflect their success.

PROJECTS

- Ground-Up Buildings
- Site Improvements
- Tenant Improvements
- Design-Build

INDUSTRIAL

Call it the big box, a metal building, or a warehouse - industrial facilities are an integral part of our business. Locally, San Joaquin County is a transportation hub, giving us the opportunity to build significant industrial facilities in our region. Of course, we can build anywhere, to your specifications.

PROJECTS

- Metal and Concrete Buildings
- Property Clean-up
- Site Improvements
- Tenant Improvements
- Design-Build

RESIDENTIAL

A simple remodel, or the custom home you've always dreamed about - we work with you, your architect, and your designer to build the cottage - or the castle - of your dreams.

PROJECTS

- Custom Homes
- Additions
- Remodels
- Kitchens
- Bathrooms
- Exterior Improvements
- Design-Build

“If you simply want the highest quality project with the best price in the shortest amount of time, call Haggerty Construction.”
