Time To Know

English as an Asset For Life

English

As an Asset For Life

English is more than a foreign language – it's our children's future!

By now, it is common wisdom that English proficiency is no longer a luxury; it's an all important competitive advantage in life.

Therefore, we would like to introduce **Time To Know English** - the best English language acquisition program available today!

Years of extensive cross-disciplinary research, accumulated experience and pedagogical practice, have been incorporated into our groundbreaking English Teaching Platform.

Firmly grounded in both theory and practice, the program is gaining serious momentum. It is already being used with success in classrooms in the USA, the Middle East, Europe and Asia.

The program's proven success has earned strong solid support by studies and research. For further information on striking results, please visit our website www.timetoknow.com

Time to know is an international education provider

In our New York and Tel Aviv head offices, hundreds of experts work together to help students all over the world learn English in new and meaningful ways

Our innovative pedagogic approach is designed for the children of the 21st century

- NO MORE “parrot repetition” techniques
- NO MORE “drill and kill” notorious grammar lessons
- NO MORE old fashioned frontal teaching

A rich multi-sensory technological environment redefines language education and makes Time To Know English the most effective English Teaching Platform available today.

We offer you the opportunity to provide children with a solid foundation in English

Designed to serve as a base for extended English studies; our program will pave the path for young students towards far-reaching professional and personal achievements in adulthood.

Time To Know English is the best choice in the world that combines all of the following

- An interactive academic environment
- Blended learning richer than any other program available
- Program designed to encompass all learning styles
- A curriculum covering all linguistic skills: reading, writing, listening, and conversation
- An innovative pedagogic approach, harmonious with the nature of today's students
- A teacher centered English learning experience

The only English teaching platform giving

- **One to One Learning:** Integrated learning according to competence for every student
- **One to Many learning:** group activities foster natural communication
- **Teacher empowerment:** high-end standardization of teachers' competences
- **Student empowerment:** Progress Navigator based on personal achievement patterns
- **An individualized interactive Vocabulary Booster for every student**
- **On-going Progress Control,** keeps teachers closely informed
- **Time To Know English is the only program that integrates both English language skills AND 21st century skills in one curriculum**
